Its appropriately definitely simple and therefore fats, isnt it? You have to favor to in this song

I Saw an Angel Today Marcelline Moore 2018-03-10 I Saw an Angel Today is a nonfictional book of short stories about the earth angels of today and in history, who are changing or have changed humanity. They are everyday people unknowingly affecting others by opening their hearts, sharing their gifts, following their passion, and offering their mind, body, and soul to others. They are musical, historical, spiritual, and global events involving work, family and friends, celebrities, health and wellness, and anonymous angels. It is also a quizzical type of book offering the readers a game of who done it by trying to figure out which

amazing earth angel Marcelline is referring to.

Me Talk Pretty One Day David Sedaris 2009-05-04 A new collection from David Sedaris is cause for jubilation. His recent move to Paris has inspired hilarious pieces, including Me Talk Pretty One Day, about his attempts to learn French. His family is another inspiration. You Cant Kill the Rooster is a portrait of his brother who talks incessant hip-hop slang to his bewildered father. And no one hones a finer fury in response to such modern annoyances as restaurant meals presented in ludicrous towers and cashiers with 6-inch fingernails. Compared by The New Yorker to Twain and Hawthorne, Sedaris has become one of our best-loved authors. Sedaris is an amazing reader whose appearances draw hundreds, and his performances including a jaw-dropping impression of Billie Holiday singing I wish I were an Oscar Meyer weiner are unforgettable. Sedaris's essays on living in Paris are some of the funniest he's ever written. At last, someone even meaner than the French! The sort of blithely sophisticated, loopy humour that might have resulted if Dorothy Parker and James Thurber had had a love child. Entertainment Weekly on Barrel Fever Sidesplitting Not one of the essays in this new collection failed to crack me up; frequently I was helpless. The New York Times Book Review on Naked

Spill Simmer Falter Wither Sara Baume 2015-10-01 SHORTLISTED FOR THE COSTA FIRST NOVEL AWARD 2015 LONGLISTED FOR THE GUARDIAN FIRST BOOK AWARD 2015 LONGLISTED FOR THE DESMOND ELLIOTT PRIZE 2016 WINNER OF THE SUNDAY INDEPENDENT NEWCOMER OF THE YEAR, IRISH BOOK AWARDS 2015 WINNER OF THE GEOFFREY FABER MEMORIAL PRIZE FOR FICTION You find me on a Tuesday, on my Tuesday trip to town. A note sellotaped to the inside of the jumble-shop window: COMPASSIONATE & TOLERANT OWNER. A PERSON WITHOUT OTHER PETS & WITHOUT CHILDREN UNDER FOUR. A misfit man finds a misfit dog. Ray, aged fifty-seven, 'too old for starting over, too young for giving up', and One Eye, a vicious little bugger, smaller than expected, a good ratter. Both are accustomed to being alone, unloved, outcast – but they quickly find in each other a strange companionship of sorts. As spring turns to summer, their relationship grows and

intensifies, until a savage act forces them to abandon the precarious life they'd established, and take to the road. *Spill Simmer Falter Wither* is a wholly different kind of love story: a devastating portrait of loneliness, loss and friendship, and of the scars that are more than skin-deep. Written with tremendous empathy and insight, in lyrical language that surprises and delights, this is an extraordinary and heartbreaking debut by a major new talent

Every Heart a Doorway Seanan McGuire 2016-04-05 Eleanor West's Home for Wayward Children No Solicitations No Visitors No Quests Children have always disappeared under the right conditions; slipping through the shadows under a bed or at the back of a wardrobe, tumbling down rabbit holes and into old wells, and emerging somewhere... else. But magical lands have little need for used-up miracle children. Nancy tumbled once, but now she's back. The things she's experienced... they change a person. The children under Miss West's care understand all too well. And each of them is seeking a way back to their own fantasy world. But Nancy's arrival marks a change at the Home. There's a darkness just around each corner, and when tragedy strikes, it's up to Nancy and her new-found schoolmates to get to the heart of things. No matter the cost. PRAISE FOR EVERY HEART A DOORWAY "Seanan McGuire has long been one of the smartest writers around, and with this novella we can easily see that her heart is as big as her brain. We know this story isn't true, but it is truth." — Charlaine Harris, New York Times bestselling author of the Sookie Stackhouse series (TV's True Blood) "Seanan McGuire once again demonstrates her intimate knowledge of the human heart in a powerful fable of loss, yearning and damaged children." — Paul Cornell, author of London Falling and Witches of Lychford

Special Characters Laurie Segall 2022-03-08 "CNN's former senior tech correspondent shares her front-row seat on the rise of Facebook, Twitter, and other new-media empires—and the geeks turned entrepreneurs who founded them."—People An unflinching, era-defining story of self-discovery and breaking barriers by award-winning investigative reporter Laurie Segall. In 2008, 23-year-old Laurie Segall was a newly minted assistant at CNN and was living in an East Village walk-up apartment. As Wall

Street was crashing down, Segall began discovering a group of scrappy misfits who were rising from the ashes of the recession to change the world: the tech entrepreneurs. A misfit herself, Segall gained entrance to New York's burgeoning tech scene, with its limitless cash flow and parties populated by geeks-turned-billionaires. Back at the news desk, she rose through the ranks at CNN, while these entrepreneurs went from minnows to sharks, building companies that would become our democracy and our social fabric: Facebook, Twitter, Instagram, Uber, Tinder. Over the course of a decade, Laurie Segall became one of the first reporters to give airtime to many of these founders—from Mark Zuckerberg (Facebook) to Jack Dorsey (Twitter) to Kevin Systrom (Instagram) to Travis Kalanick (Uber)—while tracking their evolution and society's cultural shift in the CNN startup beat she created. By the end of her tenure at CNN, she had become its on-air senior technology correspondent and had witnessed the rise of second-wave tech, from the boom to the “complicated years” to the backlash, as her misfits emerged as some of the world's most influential leaders. A coming-of-age narrative chronicling an era transformed, *Special Characters* is, at its core, a young woman's origin story—in love, in career, and in life—and an account of the humans behind the companies that have shaped our modern society. Filled with emotional heft and razor-sharp observations, Segall's empowering memoir is a richly rendered backstage pass to the tech bubble that reimagined the ethos of our social, political, and cultural experience. “Fans of Brotopia or anyone who wants a backstage pass to Zuckerberg and some of the biggest co.'s of our time, you'll devour this.” —The Skimm

How Mom Got a Life Sheelagh Mawe 2005-01-01 For eighteen years, Kate Martin has been a sheltered housewife and mother. Suddenly she finds herself divorced and out on a limb. A lot of role reversal goes on as her three kids watch their usually calm, collected mother turn into a quivering mass of insecurities while coming to terms with her new role of single parent. In many ways Kate has a lot more growing up to do than her kids. She quickly finds that technology in the workplace has passed her by, but by using her wits and newly formed spiritual insights she's able to prove to herself and to her kids that the power of the

mind is the technology that matters most. Humorous, thoughtful and inspiring.

Children's Books in Print, 2007 2006

Autobiography G.K. Chesterton 2022-09-15 Autobiography by G. K. Chesterton is a remarkable book about one of the most inspiring writers of the 20th century. Gilbert Keith Chesterton was an English writer, philosopher, lay theologian, and literary and art critic. He has been referred to as the "prince of paradox". Of his writing style, Time observed: "Whenever possible Chesterton made his points with popular sayings, proverbs, allegories—first carefully turning them inside out."

The Politics of Panem Sean P. Connors 2014-09-24 The Hunger Games trilogy is a popular culture success. Embraced by adults as well as adolescents, Suzanne Collins's bestselling books have inspired an equally popular film franchise. But what, if anything, can reading the Hunger Games tell us about what it means to be human in the world today? What complex social and political issues does the trilogy invite readers to explore? Does it merely entertain, or does it also instruct? Bringing together scholars in literacy education and the humanities, The Politics of Panem: Challenging Genres examines how the Hunger Games books and films, when approached from the standpoint of theory, can challenge readers and viewers intellectually. At the same time, by subjecting Collins's trilogy to literary criticism, this collection of essays challenges its complexity as an example of dystopian literature for adolescents. How can applying philosophic frameworks such as those attributable to Socrates and Foucault to the Hunger Games trilogy deepen our appreciation for the issues it raises? What, if anything, can we learn from considering fan responses to the Hunger Games? How might adapting the trilogy for film complicate its ability to engage in sharp-edged social criticism? By exploring these and other questions, The Politics of Panem: Challenging Genres invites teachers, students, and fans of the Hunger Games to consider how Collins's trilogy, as a representative of young adult dystopian fiction, functions as a complex narrative. In doing so, it highlights questions and issues that lend themselves to critical exploration in secondary and

college classrooms.

Becoming Dangerous Katie West 2019-04 At the crossroads of #MeToo, #HexthePatriarchy, and the increasingly vocal feminist and LGBTQ+ movements comes a highly readable and moving collection of writings. The difference between the witch and the layperson is that a witch already knows they are powerful. The layperson may only suspect. *Becoming Dangerous* is a collection of deeply personal essays by marginalized people operating at the intersection of feminism, witchcraft, and resistance about summoning power and becoming fearsome in a world that would prefer them to be afraid. Written by women artists, authors, columnists, comic book writers, fashionistas, performers, and video game designers, these essays are personal explorations about how and why rituals of resistance work for them. Their goal is to help readers summon their own power to resist, survive, and thrive.

Acoustic Properties Tom McEnaney 2017-06-15 *Acoustic Properties: Radio, Narrative, and the New Neighborhood of the Americas* discovers the prehistory of wireless culture. It examines both the coevolution of radio and the novel in Argentina, Cuba, and the United States from the early 1930s to the late 1960s, and the various populist political climates in which the emerging medium of radio became the chosen means to produce the voice of the people. Based on original archival research in Buenos Aires, Havana, Paris, and the United States, the book develops a literary media theory that understands sound as a transmedial phenomenon and radio as a transnational medium. Analyzing the construction of new social and political relations in the wake of the United States' 1930s Good Neighbor Policy, *Acoustic Properties* challenges standard narratives of hemispheric influence through new readings of Richard Wright's cinematic work in Argentina, Severo Sarduy's radio plays in France, and novels by John Dos Passos, Manuel Puig, Raymond Chandler, and Carson McCullers. Alongside these writers, the book also explores Che Guevara and Fidel Castro's *Radio Rebelde*, FDR's fireside chats, Félix Caignet's invention of the radionovela in Cuba, Evita Perón's populist melodramas in Argentina, Orson Welles's experimental New Deal radio, Cuban and U.S. "radio wars," and the 1960s African American activist Robert F.

Williams's proto-black power Radio Free Dixie. From the doldrums of the Great Depression to the tumult of the Cuban Revolution, *Acoustic Properties* illuminates how novelists in the radio age converted writing into a practice of listening, transforming realism as they struggled to channel and shape popular power.

Tell Me About Your Mother Lisa Rigato 2021-11-12 Lisa Rigato is a highly successful certified life coach with a specialty in emotional intelligence. She holds several certificates, including a certificate from Case Western Reserve University (inspiring leadership through emotional intelligence). Lisa likes to dabble in the world of podcasts with her own, titled Sister Tribe Nation. You can find her at www.lisarigato.com.

The Collected Works G.K. Chesterton, Vol. 21 G. K. Chesterton 1990 This volume contains Chesterton's commentaries and reflections on what he saw on his travels in America and Rome, plus an appendix on how America saw Chesterton. On January 10, 1921, Gilbert and Frances Chesterton began a three month tour of the United States. During their first stop in the City of New York, Chesterton examined the lights of Broadway and proclaimed: "What a glorious garden of wonders this would be to anyone who was lucky enough to be unable to read." In his writing on America, Chesterton shows a remarkable ability for sympathetic appreciation of the principle traits of America. He would acquire an uncanny clear-sightedness about many things in America that it would not be an exaggeration to call clairvoyant. One greatness recognized another greatness, and one can say that Chesterton truly knew something profound about America. Throughout the 1920's and 1930's, Chesterton's travels included Jerusalem, Ireland, North America and Rome. This volume contains his reflections on his 1921 and 1930-31 tour of North America and his 1929 trip to Rome. Readers will enjoy the great man's impressions of city skyscrapers, rural America, the politics of Washington, as well as his views of Pope Pius XI, the Eternal City, Mussolini and Fascism. The introduction to this volume was written by Dr. Robert Royal, Vice President of the Ethics and Public Policy Center, Washington, D.C. The appendix was compiled by the late Chairman of the Northeastern Chapter of the G.K. Chesterton Society, Mr. Robert Knille. The appendix gives the newspaper accounts of Chesterton's 1921 trip to America. It contains generous

excerpts of the speeches, interviews and comments G.K.C. made during his tour. Most of the material provided has never appeared in book form.

Dandelion S. M. Mawe 2004 An autobiographical fable about a down-trodden farm horse who overcomes poverty, prejudice and self-doubt to become her 'true self'.

More Notes From the Universe Mike Dooley 2012-12-11 The Universe is here to remind us that we are in control. To have the life you desire, all you have to do is ask. The secret to manifesting change is not focusing on the how, but instead the end result of what you're after and the kind of life you want. Then, once you are truly focused, the Universe will conspire on your behalf. Author Mike Dooley has turned over every stone, knocked on every door, and followed every impulse. From the lessons he learned, Dooley is now able to share the Universe's wisdom with the world. He serves as an interpreter for the Universe and this second collection of empowering, invaluable truths can be read front to back or at random.

Where Misfits Fit Thomas Michael Kersen 2021-10-15 All regions and places are unique in their own way, but the Ozarks have an enduring place in American culture. Studying the Ozarks offers the ability to explore American life through the lens of one of the last remaining cultural frontiers in American society. Perhaps because the Ozarks were relatively isolated from mainstream American society, or were at least relegated to the margins of it, their identity and culture are liminal and oftentimes counter to mainstream culture. Whatever the case, looking at the Ozarks offers insights into changing ideas about what it means to be an American and, more specifically, a special type of southerner. In *Where Misfits Fit: Counterculture and Influence in the Ozarks*, Thomas Michael Kersen explores the people who made a home in the Ozarks and the ways they contributed to American popular culture. Drawing on a wide variety of sources, Kersen argues the area attracts and even nurtures people and groups on the margins of the mainstream. These include UFO enthusiasts, cults, musical troupes, and back-to-the-land groups. Kersen examines how the Ozarks became a haven for creative, innovative, even nutty people to express

themselves—a place where community could be reimagined in a variety of ways. It is in these communities that *communitas*, or a deep social connection, emerges. Each of the nine chapters focuses on a facet of the Ozarks, and Kersen often compares two or more cases to generate new insights and questions. Chapters examine real and imagined identity and highlight how the area has contributed to popular culture through analysis of the Eureka Springs energy vortex, fictional characters like Li'l Abner, cultic activity, environmentally minded communes, and the development of rockabilly music and near-communal rock bands such as Black Oak Arkansas.

Parents and Children Charlotte Maria Mason 1904

The Soul Watchers Kim Shotola 2019-12-09 The animals' quest is a mission far greater than most realize, to awaken and enlighten our hearts and souls. The animals from your past, your present, even the wild animals come to you with messages. that reveal their ancient wisdom and can ignite your true purpose. This awareness can help you and your animals heal in body, mind and spirit. Animals bring gratitude, abundance and clarity and become a window to your soul and a doorway to your spiritual destiny. Embark on this breathtaking journey with them to awaken and magnify your inner wisdom, your divine light and sacred connection to all. Learn to recognize, receive and comprehend guidance. Understand important life lessons and how to take action. Discover holistic animal care tips you can use right away. Magnify your inner wisdom and sacred connection to all. Journal your experiences in a downloadable action guide. Listen and download online a powerful audio meditation. Visit www.TheSoulWatchers.com for more information.

Grown Men Sheelagh Mawe 2007-07-01 Austin Sinclair and Jack Winston grew up together on the poor side of town—one quiet sober and tenacious; the other a reckless charmer always seeking a challenge. And they shared a love for tennis that forged an unlikely bond—and incited a fierce rivalry—between them. Then adult life took them in different directions. Now they are grown men - mature, accomplished and

middle-aged. And a chance reunion in a crowded restaurant results in a friendly, fateful invitation to compete once again at Austin's exclusive tennis club. But from the first serve on an impeccable clay court to the final, breathless point of a truly unforgettable match, unresolved resentments and tensions will determine the pace of the play. For every lob and backhand, every point surrendered or won, brings with it serious questions about the past and the choices made. With each set comes potentially explosive revelations about love, money and the nature of competition.

Faraway Horses Buck Brannaman 2019-08-09 "I've started horses since I was 12 years old and have been bit, kicked, bucked off and run over. I've tried every physical means to contain my horse in an effort to keep from getting myself killed. I started to realize that things would come much easier for me once I learned why a horse does what he does. This method works well for me because of the kinship that develops between horse and rider. " --Buck Brannaman In THE FARAWAY HORSES, Brannaman shares his methods for training and provides a behind-the-scenes glimpse of Robert Redford's movie The Horse Whisperer, for which he was the technical advisor.

A Home in the Country Sheelagh Mawe 2014-03-01 During the Second World War, some three million people were evacuated from British towns and cities due to the danger of German air attacks. Most evacuees were children; many were sent to the countryside but some were sent to Canada, America, Australia, New Zealand and South Africa. Two of these children were 'Sarah', aged five, and her brother 'James', aged six, who were placed on a ship bound for New York City where they would be assigned to a foster home. A testimony to the resilience of the human spirit and the utter ingenuity of childhood, this heartbreaking tale explores the darker side of the British evacuation during the Second World War and is a testament to youthful resourcefulness and the will to survive.

The Writers Directory 1973

The Lightning Conductor: The Strange Adventures of a Motor-Car Charles Williamson 2017-09-05

Vladimir Nabokov in Context David Bethea 2018-05-24 Vladimir Nabokov, bilingual writer of dazzling

masterpieces, is a phenomenon that both resists and requires contextualization. This book challenges the myth of Nabokov as a sole genius who worked in isolation from his surroundings, as it seeks to anchor his work firmly within the historical, cultural, intellectual and political contexts of the turbulent twentieth century. *Vladimir Nabokov in Context* maps the ever-changing sites, people, cultures and ideologies of his itinerant life which shaped the production and reception of his work. Concise and lively essays by leading scholars reveal a complex relationship of mutual influence between Nabokov's work and his environment. Appealing to a wide community of literary scholars this timely companion to Nabokov's writing offers new insights and approaches to one of the most important, and yet most elusive writers of modern literature.

Remarks Bill Nye 2019-07-27

Dandelion S. M. Mawe 2001-09 Dandelion is a lowly, mis-bred Irish farm horse. As is true of all creatures, she begins her life with a grand sense of her own worth, but little by little, the opinions of others and the circumstances of her life erode that belief and, lonely and dispirited, she gives up on her dreams. Nevertheless, given a chance at freedom, she has wits enough left to pursue it, only to find that "freedom" was not quite what she had bargained for! Dandelion's subsequent journey leads her to her true destination, herself.

Lullabies for Little Criminals Heather O'Neill 2016-04-05 A new deluxe edition of the international bestseller by Heather O'Neill, the Giller-shortlisted author of *Daydreams of Angels* and *The Girl Who Was Saturday Night*, featuring an original foreword from the author, to celebrate the tenth anniversary of the coming-of-age story that *People* describes as "a vivid portrait of life on skid row." Baby, all of thirteen years old, is lost in the gangly, coltish moment between childhood and the strange pulls and temptations of the adult world. Her mother is dead; her father, Jules, is scarcely more than a child himself and is always on the lookout for his next score. Baby knows that "chocolate milk" is Jules' slang for heroin and sees a lot more of that in her house than the real article. But she takes vivid delight in the scrappy bits of

happiness and beauty that find their way to her, and moves through the threat of the streets as if she's been choreographed in a dance. Soon, though, a hazard emerges that is bigger than even her hard-won survival skills can handle. Alphonse, the local pimp, has his eye on her for his new girl; he wants her body and soul—and what the johns don't take he covets for himself. At the same time, a tender and naively passionate friendship unfolds with a boy from her class at school, who has no notion of the dark claims on her—which even her father, lost on the nod, cannot totally ignore. Jules consigns her to a stint in juvie hall, and for the moment this perceived betrayal preserves Baby from terrible harm—but after that, her salvation has to be her own invention. Channeling the artlessly affecting voice of her thirteen-year-old heroine with extraordinary accuracy and power, Heather O'Neill's heartbreaking and wholly original debut novel blew readers away when it was first published ten years ago. Now in a new deluxe package it is sure to capture its next decade of readers as Baby picks her pathway along the edge of the abyss to arrive at a place of redemption, and of love.

Forthcoming Books Rose Arny 1994

Auspicious Good Fortune Sumangal Morhall 2012-04-16 Has your life ever flashed before you?

Sumangali Morhall chased everything Western society taught her to pursue: material wealth, academic success, and even the perfect relationship, only to discover something deeply significant was still missing. A sudden near-death experience opened her eyes, and her life began anew. Left with nothing and nobody to rely on, her inner strength blossomed and her spiritual search began in earnest. Her journey led her to study meditation with Indian spiritual Master, Sri Chinmoy: a direction she could never have imagined. Sumangali reveals the arcane practice of learning from a contemporary Guru in lively detail, shedding light on misconceptions while remaining candid about her own initial doubts.

Heartwarming, courageous, and beautifully crafted, this spiritual memoir follows a Western woman learning the ways of the East, and putting them into practice in her modern world: an ordinary person

leading an extraordinary life.

Drinking with George George Wendt 2009-10-20 A homage ton beer by Cheers actor and beer connoisseur George Wendt, better known as Norm Peterson.

Deep Creek: Finding Hope in the High Country Pam Houston 2019-01-29 "How do we become who we are in the world? We ask the world to teach us." On her 120-acre homestead high in the Colorado Rockies, beloved writer Pam Houston learns what it means to care for a piece of land and the creatures on it. Elk calves and bluebirds mark the changing seasons, winter temperatures drop to 35 below, and lightning sparks a 110,000-acre wildfire, threatening her century-old barn and all its inhabitants. Through her travels from the Gulf of Mexico to Alaska, she explores what ties her to the earth, the ranch most of all. Alongside her devoted Irish wolfhounds and a spirited troupe of horses, donkeys, and Icelandic sheep, the ranch becomes Houston's sanctuary, a place where she discovers how the natural world has mothered and healed her after a childhood of horrific parental abuse and neglect. In essays as lucid and invigorating as mountain air, Deep Creek delivers Houston's most profound meditations yet on how "to live simultaneously inside the wonder and the grief...to love the damaged world and do what I can to help it thrive."

How to Live Safely in a Science Fictional Universe (Enhanced Edition) Charles Yu 2010-09-07 This enhanced eBook includes video, audio, photographic, and linked content, as well as a bonus short story. Hear TAMMY talk. Learn the origins of Minor Universe 31. See the TM-31. Take a trip in it. Photos and illustrations appear as hyperlinked endnotes. Video and audio are embedded directly in text. *Video and audio may not play on all readers. Check your user manual for details. National Book Foundation 5 Under 35 Award winner Charles Yu delivers his debut novel, a razor-sharp, ridiculously funny, and utterly touching story of a son searching for his father . . . through quantum space–time. Minor Universe 31 is a vast story-space on the outskirts of fiction, where paradox fluctuates like the stock market, lonely sexbots beckon failed protagonists, and time travel is serious business. Every day, people get into time machines

and try to do the one thing they should never do: change the past. That's where Charles Yu, time travel technician—part counselor, part gadget repair man—steps in. He helps save people from themselves. Literally. When he's not taking client calls or consoling his boss, Phil, who could really use an upgrade, Yu visits his mother (stuck in a one-hour cycle of time, she makes dinner over and over and over) and searches for his father, who invented time travel and then vanished. Accompanied by TAMMY, an operating system with low self-esteem, and Ed, a nonexistent but ontologically valid dog, Yu sets out, and back, and beyond, in order to find the one day where he and his father can meet in memory. He learns that the key may be found in a book he got from his future self. It's called *How to Live Safely in a Science Fictional Universe*, and he's the author. And somewhere inside it is the information that could help him—in fact it may even save his life. Wildly new and adventurous, Yu's debut is certain to send shock waves of wonder through literary space-time.

Breathe into Being Dennis Lewis 2009-05-19 A follow-up to *The Tao of Natural Breathing and Free Your Breath, Free Your Life* identifies the potential transforming benefits of a breathing practice, sharing accessible coverage of key philosophies as presented in the author's workshops to explain how readers can live lives of increased comfort, openness, and peace. Original.

Eleanor Oliphant Is Completely Fine Gail Honeyman 2021-04-27 #1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A PENGUIN BOOK CLUB PICK "Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!" -- Reese Witherspoon Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets

Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.

Anatomy: A Love Story Dana Schwartz 2022-01-18 *INSTANT #1 NEW YORK TIMES BESTSELLER*
INSTANT #1 INDIE BESTSELLER *INSTANT USA TODAY BESTSELLER* *A REESE'S YA BOOK CLUB PICK* "Schwartz's magical novel is at once gripping and tender, and the intricate plot is engrossing as the reader tries to solve the mystery. She doesn't miss a beat in either the characterization or action, scattering clues with a delicate, precise hand. This is, in the end, the story of the anatomy of the human heart." - Booklist (starred review) Dana Schwartz's Anatomy: A Love Story is a gothic tale full of mystery and romance. Hazel Sinnett is a lady who wants to be a surgeon more than she wants to marry. Jack Currer is a resurrection man who's just trying to survive in a city where it's too easy to die. When the two of them have a chance encounter outside the Edinburgh Anatomist's Society, Hazel thinks nothing of it at first. But after she gets kicked out of renowned surgeon Dr. Beecham's lectures for being the wrong gender, she realizes that her new acquaintance might be more helpful than she first thought. Because Hazel has made a deal with Dr. Beecham: if she can pass the medical examination on her own, Beecham will allow her to continue her medical career. Without official lessons, though, Hazel will need more than just her books—she'll need corpses to study. Lucky that she's made the acquaintance of someone who digs them up for a living. But Jack has his own problems: strange men have been seen skulking around cemeteries, his friends are disappearing off the streets, and the dreaded Roman Fever, which wiped out thousands a few years ago, is back with a vengeance. Nobody important cares—until Hazel. Now, Hazel and Jack must work together to uncover the secrets buried not just in unmarked graves, but in the very heart of Edinburgh society.

Even Cowgirls Get the Blues Tom Robbins 2003-06-17 "This is one of those special novels—a piece of

working magic, warm, funny, and sane.”—Thomas Pynchon The whooping crane rustlers are girls. Young girls. Cowgirls, as a matter of fact, all “bursting with dimples and hormones”—and the FBI has never seen anything quite like them. Yet their rebellion at the Rubber Rose Ranch is almost overshadowed by the arrival of the legendary Sissy Hankshaw, a white-trash goddess literally born to hitchhike, and the freest female of them all. Freedom, its prizes and its prices, is a major theme of Tom Robbins’s classic tale of eccentric adventure. As his robust characters attempt to turn the tables on fate, the reader is drawn along on a tragicomic joyride across the badlands of sexuality, wild rivers of language, and the frontiers of the mind.
