Developmentally Appropriate Practice in Early Childhood

education for preschool and elementary children For many years, preschool education and elementary education—each with its own funding sources, infrastructure, values, and traditions— have remained largely separate. In fact, the education establishment typically has not thought of preschool as a full-fledged part of American public education.

California Common Core State Standards - California ...

Senate Bill 1200, Statutes of 2012, called for modification of the California additions to the Common Core State Standards for Mathematics. The California Common Core State Standards: Mathematics (CA CCSSM) were modified January 16, 2013,
