WORLDWIDE -- THERE IS NO WAR. THERE IS
ONLY REBELLION. Alijah's reign sweeps from Erador
to Ayda. Those who would stand against the king are
few, their numbers cast across too many battlefields.
Does hope lie in the east? Can the elves turn the tide
and keep The Rebellion alive? The weight of
Dhenaheim now rests on Doran's shoulders. Chained
and imprisoned, the clans are shattered and spread
across the realm. On the island of Qamnaran, they
build to the heavens. In The Moonlit Plains, they dig
down into the dark. Only the Heavybellys have the
mettle to do what must be done. Astride the mighty
Athis, Inara Galfrey fights for The Rebellion as both
sword and shield. With blood and sweat she has kept
Alijah's forces at bay, but Inara knows there is only one
way to defeat her brother. Following this path,
however, will take her far from the front lines and into
lands long forgotten. After ten thousand years, the
future that was foretold looms near. But Fate has one
last hand to deal... LAST OF THE DRAGORN IS THE
PENULTIMATE CHAPTER IN THIS UNMISSABLE

The battle for Namdhor, the north, and the entire realm of man was a sure victory for the orcs. But they lost. Now, under the rule of a would-be-king, the armies of man fuel the war when they should be bolstering their defences. Only a few understand that time is against them, yet these few must fight alone if the dawn is to rise over Illian once more. The heroes of the realm have banded together, but they cannot fight side by side. There is only one way they can win, seen by the oldest dragon and preserved inside the broken mind of a ranger. From the shadows, The Crow muddies the waters, making it all the harder to see the path to victory. In the depths of The Bastion, where even time is his slave, the ancient necromancer has finished his work. The king is almost ready... WORLDWIDE -- THIRTY YEARS AFTER THE

ECHOES OF FATE CHANGED THE COURSE OF

HISTORY, AN ANCIENT EVIL STIRS ONCE MORE.

Millennia in the dark has left these lost and forgotten

monsters hungry for war. The people of Illian can do

nothing but rely on their peacekeepers, the Dragorn.

Are the dragon riders ready for what has been buried under their feet? Gideon Thorn, Master of the Dragon, can feel the Third Age coming to an ominous end. With Inara Galfrey and her dragon by his side, they must investigate the return of this ancient evil. Alijah Galfrey has only one talent - getting into trouble. When he isn't drinking, the half-elf is gambling his life away in the pursuit of relics no one cares about. Now, he finds himself at the sharp end of history. Can he take charge of his own future, or is he destined to be controlled by others? Deep in the mines of Vengora, something ancient has been found, and the dwarves of Dhenenheim would go to war with the North over it. After sixty years in the world of men, Doran Heavybelly must finally return to his homeland if any peace is to be found... Empire of Dirt (Echoes of Fate: Book 2) Philip Quaintrell 2017-11-26 The Echoes of Fate will not be forgotten. The words uttered a thousand a years ago will come to pass...War is set to ravage the land of Illian. The elves sail from the east, the savage Darkakin rise from the south and Valanis, the dark elf, is finally free. Valanis would see the world plunged into

chaos and drowned in blood, ready for the return of the gods that still haunt him. A new hope rises in the Red Mountains, where the last remaining dragons have been discovered. Gideon and Galanor, human and elf, will have to work together. Only then might they convince Adriel, the last of the Dragorn order, to intervene in the war to come. Devoid of hope and unsure what road to take, Asher and his companions must decide what role they will play in the coming war. The only weapon known to rival the dark elf's power is in a place the ranger has avoided for a long time, a place where, until now, neither man nor elf would dare to tread. Civil war has shattered the empire in The Arid Lands, as the slaves make their stand against the highborns. Tauren Son-of-none, would see a new empire rule over the desert, but while revolution brews, a greater threat looms. As a thunderous cacophony of steel and savagery marches through the Undying Mountains, who will stand before this army of death...

Far Away Bird Douglas a. Burton 2019-10-15 Inspired by true events, Far Away Bird delves into the complex mind of Byzantine Empress Theodora. This intimate account deftly follows her rise from actress-prostitute in Constantinople's red-light district to the throne of the Byzantine Empire. Her salacious past has left historians blushing and uncomfortable. Tales of her shamelessness have survived for centuries, and yet her accomplishments as an empress are unparalleled. Theodora goes on to influence sweeping reforms that

result in some of the first ever Western laws granting women freedom and protection. More than a millennium before the women's rights movement, Theodora, alone, took on the world's greatest superpower and succeeded. Far Away Bird goes where history classrooms fear to tread in hopes that Theodora can finally take her seat among the greatest women in history. Theodora seems impossible--yet her transcendence teaches us that society can't tell us who we are deep down. Before there was a legendary empress, there was a conflicted young woman from the lower classes. And her name was Theodora.

An Ocean Tramp William McFee 1921

Sophie's World Jostein Gaarder 2007-03-20 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

In Whose Ruins Alicia Puglionesi 2022-04-05 In this examination of landscape and memory, four sites of American history are revealed as places where historical truth was written over by oppressive fiction—with profound repercussions for politics past and present. Popular narratives of American history conceal as much as they reveal. They present a national identity based on harvesting the treasures that

lay in wait for European colonization. In *Whose Ruins* tells another story: winding through the US landscape, from Native American earthworks in West Virginia to the Manhattan Project in New Mexico, this history is a tour of sites that were mined for an empire's power. Showing the hidden costs of ruthless economic growth, particularly to Indigenous people and ways of understanding, this book illuminates the myth-making intimately tied to place. From the ground up, the project of settlement, expansion, and extraction became entwined with the spiritual values of those who hoped to gain from it. Every nation tells some stories and suppresses others, and *In Whose Ruins* illustrates the way American myths have been inscribed on the earth itself, overwriting Indigenous histories and binding us into an unsustainable future. In these pages, historian Alicia Puglionesi illuminates the story of the Grave Creek Stone, "discovered" in an ancient Indigenous burial mound, and used to promote the theory that a lost white race predated Native people in North America—part of a wider effort to justify European conquest with alternative histories. When oil was discovered in the corner of western Pennsylvania soon known as Petrolia, prospectors framed that treasure, too, as a birthright passed to them, through Native guides, from a lost race. Puglionesi traces the fate of ancient petroglyphs that once adorned rock faces on the Susquehanna River, dynamited into pieces to make way for a hydroelectric

dam. This act foreshadowed the flooding of Native lands around the country; over the course of the 20th century, almost every major river was dammed for economic purposes. And she explores the effects of the US nuclear program in the Southwest, which contaminated vast regions in the name of eternal wealth and security through atomic power. This promise rang hollow for the surrounding Native, Hispanic, and white communities that were harmed, and even for some scientists. It also inspired nationwide resistance, uniting diverse groups behind a different vision of the future—one not driven by greed and haunted by ruin. This deeply researched work of narrative history traces the roots of American fantasies and fears in a national tradition of selective forgetting. Connecting the power of myths with the extraction of power from the land itself reveals the truths that have been left out and is an invaluable torch in the search for a way forward.

Only the Bold (The Way of Steel—Book 4) Morgan Rice 2019-09-03 “Morgan Rice did it again! Building a strong set of characters, the author delivers another magical world. ONLY THE WORTHY is filled with intrigue, betrayals, unexpected friendship and all the good ingredients that will make you savor every turn of the pages. Packed with action, you will read this book on the edge of your seat.” --Books and Movie Reviews, Roberto Mattos From Morgan Rice, #1 Bestselling author of THE QUEST OF HEROES (a free download

with over 1,000 five star reviews), comes a riveting new fantasy series. In ONLY THE BOLD, the epic finale to the Way of Steel, Royce finds him transformed after looking into the magic mirror. Has he gained the ultimate wisdom? Or has he gone mad? The mirror reveals many secrets, and Royce finds himself heading towards his father's hiding place. Will he meet his father for the first time? Genevieve and Royce's tragic romance finally comes to a head, culminating in a surprise twist that will change both of their lives forever. And amidst all of this comes the epic battle with the king's armies, one that will determine the fate of the land—and the kingship—once and for all. ONLY THE BOLD weaves an epic tale of friends and lovers, of knights and honor, of betrayal, destiny and love. A tale of valor, it draws us into a fantasy world we will fall in love with, and appeals to all ages and genders. Please visit www.morganricebooks.com for updates about the release of Morgan's forthcoming fantasy series.

The Death of Vishnu Manil Suri 2012-05-07 Vishnu, the odd-job man in a Bombay apartment block, lies dying on the staircase landing. Around him the lives of the apartment dwellers unfold - the warring housewives on the first floor, the lovesick teenagers on the second, and the widower, alone and quietly grieving at the top of the building. In a fevered state Vishnu looks back on his love affair with the seductive Padmini and comedy becomes tragedy as his life

draws to a close.

Dirt David R. Montgomery 2007-05-14 Dirt, soil, call it what you want—it's everywhere we go. It is the root of our existence, supporting our feet, our farms, our cities. This fascinating yet disquieting book finds, however, that we are running out of dirt, and it's no laughing matter. An engaging natural and cultural history of soil that sweeps from ancient civilizations to modern times, *Dirt: The Erosion of Civilizations* explores the compelling idea that we are—and have long been—using up Earth's soil. Once bare of protective vegetation and exposed to wind and rain, cultivated soils erode bit by bit, slowly enough to be ignored in a single lifetime but fast enough over centuries to limit the lifespan of civilizations. A rich mix of history, archaeology and geology, *Dirt* traces the role of soil use and abuse in the history of Mesopotamia, Ancient Greece, the Roman Empire, China, European colonialism, Central America, and the American push westward. We see how soil has shaped us and we have shaped soil—as society after society has risen, prospered, and plowed through a natural endowment of fertile dirt. David R. Montgomery sees in the recent rise of organic and no-till farming the hope for a new agricultural revolution that might help us avoid the fate of previous civilizations.

Rise of the Ranger (Echoes of Fate: Book 1) Philip Quaintrell 2017-05-17 A brand new trilogy from Philip C. Quaintrell, author of *The Terran Cycle*. *The Echoes*

of Fate, a prophesy uttered unto the world a thousand years ago, cannot be denied...Mankind has lorded over the land of Illian for a thousand years, enjoying what was left to them by the elves, as if it were their birthright. A thousand years is a long time for an immortal race to see the error of their ways and realise a truth that has remained unsaid for a millennia - elves are superior! They are faster, stronger and connected to the magical world in a way that man could never grasp. Illian is their birthright. The six kingdoms of man are fractured, unallied and always clawing at each other's doors for more power. War is coming... Thrown into the heart of this war is an Outlander of the wilds, an assassin, a ranger. Asher was born a thousand years ago, but he doesn't remember. Forty years of brutal training and killing for money has beaten the earliest years of his life away, leaving his ties to the oldest of evils a mystery to all.

Christianity, Book-Burning and Censorship in Late Antiquity Dirk Rohmann 2016-07-25 It is estimated that only a small fraction, less than 1 per cent, of ancient literature has survived to the present day. The role of Christian authorities in the active suppression and destruction of books in Late Antiquity has received surprisingly little sustained consideration by academics. In an approach that presents evidence for the role played by Christian institutions, writers and saints, this book analyses a broad range of literary and legal sources, some of which have hitherto been little

studied. Paying special attention to the problem of which genres and book types were likely to be targeted, the author argues that in addition to heretical, magical, astrological and anti-Christian books, other less obviously subversive categories of literature were also vulnerable to destruction, censorship or suppression through prohibition of the copying of manuscripts. These include texts from materialistic philosophical traditions, texts which were to become the basis for modern philosophy and science. This book examines how Christian authorities, theologians and ideologues suppressed ancient texts and associated ideas at a time of fundamental transformation in the late classical world.

Heir of Fire Sarah J. Maas 2014-09-02 Celaena has survived deadly contests and shattering heartbreak-but at an unspeakable cost. Now, she must travel to a new land to confront her darkest truth . . . a truth about her heritage that could change her life-and her future-forever. Meanwhile, brutal and monstrous forces are gathering on the horizon, intent on enslaving her world. Will Celaena find the strength to not only fight her inner demons, but to take on the evil that is about to be unleashed? The bestselling series that has captured readers all over the world reaches new heights in this sequel to the New York Times best-selling *Crown of Midnight*. Packed with heart-pounding action, fierce new characters, and swoon-worthy romance, this third

book will enthrall readers from start to finish.

The Steel Remains Richard K. Morgan 2009-01-20 A dark lord will rise. Such is the prophecy that dogs Ringil Eskiath—Gil, for short—a washed-up mercenary and onetime war hero whose cynicism is surpassed only by the speed of his sword. Gil is estranged from his aristocratic family, but when his mother enlists his help in freeing a cousin sold into slavery, Gil sets out to track her down. But it soon becomes apparent that more is at stake than the fate of one young woman. Grim sorceries are awakening in the land. Some speak in whispers of the return of the Aldrain, a race of widely feared, cruel yet beautiful demons. Now Gil and two old comrades are all that stand in the way of a prophecy whose fulfillment will drown an entire world in blood. But with heroes like these, the cure is likely to be worse than the disease.

Empire of Dirt (the Echoes Saga: Book 2) Philip Quaintrell 2017-11-27 The Echoes of Fate will not be forgotten. The words uttered a thousand a years ago will come to pass... War is set to ravage the land of Illian. The elves sail from the east, the savage Darkakin rise from the south and Valanis, the dark elf, is finally free. Valanis would see the world plunged into chaos and drowned in blood, ready for the return of the gods that still haunt him. A new hope rises in the Red Mountains, where the last remaining dragons have been discovered. Gideon and Galanor, human and elf, will have to work together. Only then might they

convince Adriel, the last of the Dragorn order, to intervene in the war to come. Devoid of hope and unsure what road to take, Asher and his companions must decide what role they will play in the coming war. The only weapon known to rival the dark elf's power is in a place the ranger has avoided for a long time, a place where, until now, neither man nor elf would dare to tread. Civil war has shattered the empire in The Arid Lands, as the slaves make their stand against the highborns. Tauren Son-of-none, would see a new empire rule over the desert, but while revolution brews, a greater threat looms. As a thunderous cacophony of steel and savagery marches through the Undying Mountains, who will stand before this army of death...

The Fate of Food Amanda Little 2019-06-04 WINNER OF THE 2019 NAUTILUS BOOK AWARD In the fascinating story of the sustainable food revolution, an environmental journalist and professor asks the question: Is the future of food looking bleak—or better than ever? “In *The Fate of Food*, Amanda Little takes us on a tour of the future. The journey is scary, exciting, and, ultimately, encouraging.”—Elizabeth Kolbert, Pulitzer Prize–winning author of *The Sixth Extinction* Climate models show that global crop production will decline every decade for the rest of this century due to drought, heat, and flooding. Water supplies are in jeopardy. Meanwhile, the world’s population is expected to grow another 30 percent by midcentury. So how, really, will we feed nine billion

people sustainably in the coming decades? Amanda Little, a professor at Vanderbilt University and an award-winning journalist, spent three years traveling through a dozen countries and as many U.S. states in search of answers to this question. Her journey took her from an apple orchard in Wisconsin to a remote control organic farm in Shanghai, from Norwegian fish farms to famine-stricken regions of Ethiopia. The race to reinvent the global food system is on, and the challenge is twofold: We must solve the existing problems of industrial agriculture while also preparing for the pressures ahead. Through her interviews and adventures with farmers, scientists, activists, and engineers, Little tells the fascinating story of human innovation and explores new and old approaches to food production while charting the growth of a movement that could redefine sustainable food on a grand scale. She meets small permaculture farmers and “Big Food” executives, botanists studying ancient superfoods and Kenyan farmers growing the country's first GMO corn. She travels to places that might seem irrelevant to the future of food yet surprisingly play a critical role—a California sewage plant, a U.S. Army research lab, even the inside of a monsoon cloud above Mumbai. Little asks tough questions: Can GMOs actually be good for the environment—and for us? Are we facing the end of animal meat? What will it take to eliminate harmful chemicals from farming? How can a clean, climate-resilient food supply become

accessible to all? Throughout her journey, Little finds and shares a deeper understanding of the threats of climate change and encounters a sense of awe and optimism about the lessons of our past and the scope of human ingenuity.

Winter's King Bryce O'Connor 2017-10-15 Book 3 in the multi-genre Amazon Bestselling series. With the cold walls of Azbar looming like a bad dream at his back, Raz i'Syul rides north once more, seeking the Priests of Laor. The visions that haunt him, dogging his steps, however, are only the beginning of a much greater danger than even the Monster of Karth has ever known.

Sword of the Gods Bruce R. Cordell 2011-04-05 What you don't know will kill you... Demascus awakens surrounded by corpses, at a shrine littered with traces of demonic rituals, with no memory of his past. But the Firestorm Cabal remembers him—and the demon who leads them seems to have a personal vendetta against him. Dodging knives, uncovering clues left by his past life, and dueling demons, Demascus must figure out who he is, what battles he is fighting, and who is hunting him before one of them catches up with him. Sword of the Gods brings the events of the universe-spanning Pandemonium series to the Forgotten Realms® world!

Through a Shot Glass Darkly Siobhan Kelly 2012-12-01 Alex Fitzpatrick, transplanted Jersey girl, has recently moved to Sherman, Nebraska and opened her

own pub. Sherman is on the map, but sometimes Alex feels she's living in a time warp. The little boys have crew cuts and the residents smile and say hello to strangers. No one locks their doors. Then, on a cold October night, Book Ends, a wonderful Main Street bookstore, burns down with the owner, Alex's friend Barb, inside. As Alex grieves, her initial unease about the fire deepens into a conviction that it was arson. She digs into Barb's past and finds enemies there: an abusive ex-husband-a farmer embittered by their divorce-and closer to home, God's Warriors, a secretive local men's group: think Promise Keepers meets Ku Klux Klan. Becoming a detective was not Alex's game plan and sometimes she feels like a Miss Marple impersonator. But Alex is determined to discover who set the fire. Humor helps her keep things in perspective. She's also helped by her wisecracking friend Kathy (her instructor in Nebraska 101) and Chris, a beautiful photographer to whom she is secretly, unwillingly attracted. But someone wants them to stop, and pranks escalate into threats. To discover the arsonist, Alex must decode the often mystifying culture of Sherman, Nebraska, whose sunny surface conceals more darkness than she'd bargained for. Ultimately, her investigation will force her to confront this question: does a Jersey tomato belong in Nebraska dirt? This is the first book in the Alex Fitzpatrick mystery series.

Potosi Kris Lane 2021-02-16 "For anyone who wants

to learn about the rise and decline of Potosí as a city . . . Lane's book is the ideal place to begin."--The New York Review of Books

In 1545, a native Andean prospector hit pay dirt on a desolate red mountain in highland Bolivia. There followed the world's greatest silver bonanza, making the Cerro Rico or "Rich Hill" and the Imperial Villa of Potosí instant legends, famous from Istanbul to Beijing. The Cerro Rico alone provided over half of the world's silver for a century, and even in decline, it remained the single richest source on earth. Potosí is the first interpretive history of the fabled mining city's rise and fall. It tells the story of global economic transformation and the environmental and social impact of rampant colonial exploitation from Potosí's startling emergence in the sixteenth century to its collapse in the nineteenth. Throughout, Kris Lane's invigorating narrative offers rare details of this thriving city and its promise of prosperity. A new world of native workers, market women, African slaves, and other ordinary residents who lived alongside the elite merchants, refinery owners, wealthy widows, and crown officials, emerge in lively, riveting stories from the original sources. An engrossing depiction of excess and devastation, Potosí reveals the relentless human tradition in boom times and bust.

Nietzsche: Daybreak Friedrich Nietzsche 1997-11-13
A new edition of this important work of Nietzsche's

'mature' philosophy.

The King in Yellow Robert William Chambers 2020-09-28
Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the

training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning

naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

The Knights of Erador (the Echoes Saga: Book 7)
Philip C. Quaintrell 2020-03-22 The Echoes Saga continues!"Here is today's lesson; heroes die..."It's fifteen years since the Orcs were defeated. Fifteen years since a new king rose from the battlefield. Fifteen years since Illian knew the horror of war. Fifteen years of peace are about to end. Something is coming. Shadows gather. Whispers of rebellion have reached the king. Darkness stirs beyond Illian's borders. Beyond the mountains, Dhenenheim has lost a quiet war. Refugees pour into Illian, bringing suspicion and unrest. For Doran Heavybelly, Dhenenheim's war means facing a personal tragedy that demands his attention... and his axe. A simple job for too much coin should have been warning enough for Asher but, like Fate, trouble always has a way of finding him.

Conspiracy. Rebellion. Betrayal. Time to find out who the real heroes are.

The Gargoyle King Richard A. Knaak 2010-01-26 A climactic battle of magic and steel from the New York Times best-selling author of *The Legend of Huma!* The Titans have gained the Fire Rose and seized the ogre realms from the Grand Khan Golgren. With the powerful artifact created by the god, Sirrion, they have literally recreated the capital, Garantha, and they intend to remold the people next. Although the Titans believe Golgren is dead, the half-breed survives. With few he can trust and facing magic, treachery, and distrustful gods, Golgren must find the answer in his own past if he has any hope of overcoming the Titans and the powers of the Fire Rose. In doing so, however, he risks becoming a pawn of the gargoyle king.

The Conquest of Bread Peter Kropotkin 2013-04-10 Written by a Russian prince who renounced his title, this work promotes an anarchist market economy — a system of autonomous cooperative collectives. A century after its initial publication, it remains fresh and relevant.

The Winter Soldier Daniel Mason 2018-09-11 Winner of the Northern California Book Award A New York Times Editors' Choice Pick A Washington Post Notable Book of 2018 A San Francisco Chronicle Best Book of 2018 An NPR Best Book of 2018 National Bestseller "The Winter Soldier brims with improbable narrative pleasures... These pages crackle with excitement... A

spectacular success." --Anthony Marra, New York Times Book Review "A dream of a novel... Part mystery, part war story, part romance." --Anthony Doerr, author of *All the Light We Cannot See* Vienna, 1914. Lucius is a twenty-two-year-old medical student when World War I explodes across Europe.

Enraptured by romantic tales of battlefield surgery, he enlists, expecting a position at a well-organized field hospital. But when he arrives, at a commandeered church tucked away high in a remote valley of the Carpathian Mountains, he finds a freezing outpost ravaged by typhus. The other doctors have fled, and only a single, mysterious nurse named Sister Margarete remains. But Lucius has never lifted a surgeon's scalpel. And as the war rages across the winter landscape, he finds himself falling in love with the woman from whom he must learn a brutal, makeshift medicine. Then one day, an unconscious soldier is brought in from the snow, his uniform stuffed with strange drawings. He seems beyond rescue, until Lucius makes a fateful decision that will change the lives of doctor, patient, and nurse forever. From the gilded ballrooms of Imperial Vienna to the frozen forests of the Eastern Front; from hardscrabble operating rooms to battlefields thundering with Cossack cavalry, *The Winter Soldier* is the story of war and medicine, of family, of finding love in the sweeping tides of history, and finally, of the mistakes we make,

and the precious opportunities to atone.

Relic of the Gods Philip C. Quintrell 2018-06-02 The Echoes of Fate have been heard. After a thousand years, the prophecy has almost come to pass...The final days of hope have come and gone. The kingdoms of Illian stand on the edge of ruin, threatened by the armies of Valanis. As evil spreads across the land, too few are left to hold the line. A world away, the children of fire and flame may be the only hope for the realm. But the dragons have been defeated before, and Verda's future now hangs in the balance. Reeling from their losses, Asher and his companions journey north, trying to outrun the savage Darkakin. A confrontation awaits the ranger, but even with Paldora's gem, he dare not challenge Valanis yet. The days of the Dragorn have come again, and with them, a relic of the gods has been brought into the light. The knowledge of Verda's true history weighs on Gideon Thorn, and he would see the world rid of the evil that has cursed it for so long. Amid such calamity, even the gods can feel a great change coming, and a new age dawning. Whether it be light or the dark that finds victory, one soul will suffer the burden of destiny for all...

A Book of Golden Deeds Charlotte Mary Yonge 1866
Kingdom of Bones: (Echoes of the Lost Book 2) Philip C. Quintrell 2019-05-08 The brand new trilogy in The Echoes Saga continues! The world has fallen into ruin. Myth and legend have proven true. Monsters have returned to Illian. Orcs, an ancient fiend thought lost to

history, have risen from The Under Realm. Their hunger for total dominance has plunged Illian into war, pushing the survivors to Namdhor, the last refuge of man at the top of the world. For those who stand up to this foe, they do so in darkness. Ash clouds smother the skies, blocking out the sun as the orcs rampage across the land. Behind it all, manipulating from the shadows, The Black Hand fuels the war on both sides. The Crow, the one who was promised, has seen the future and works in the depths of The Bastion to forge a new weapon, a weapon that can stand against the dark at all costs. Gideon Thorn is adrift, his order decimated, and his oath to protect the realm meaningless. The Master Dragorn faces his greatest test yet, balancing his duty to the people and his duty to his order. Inara Galfrey has a choice to make as the realm's darkest hour approaches. Malliath and Asher cannot be ignored, but holding fast to her courage could save the world. It could also spell her end. Doran Heavybelly finds himself at the throne of his father. There are realms of hell he would rather visit than the halls of his ancestors. Shackled and bound, however, the dwarf has no choice but to face his past...

The Devil's Dictionary Ambrose Bierce 1911 Bierce exploits the comic potential of the dictionary format to mock the doublespeak prominent in post-Civil War politics. Using short, pithy entries on a variety of subjects, this "reference book" inverts the meaning of words, skewers popular hypocrisy and showcases

Bierce's dark humor. Many of these entries began as newspaper columns Bierce wrote in the 1870s. One hundred years later, it is clear that the America he lampoons is not that different from our own.

The Children of Men P. D. James 2010-10-20 Told with P. D. James's trademark suspense, insightful characterization, and riveting storytelling, *The Children of Men* is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.

Morning Star Pierce Brown 2016-02-09 #1 NEW YORK TIMES BESTSELLER • Red Rising thrilled readers and announced the presence of a talented new author. *Golden Son* changed the game and took the story of Darrow to the next level. Now comes the exhilarating next chapter in the Red Rising Saga: Morning Star. ITW THRILLER AWARD FINALIST •

“[Brown’s] achievement is in creating an uncomfortably familiar world of flaw, fear, and promise.”—Entertainment Weekly Darrow would have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Society’s mightiest warriors, climbed the ranks, and waited patiently to unleash the revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their chains, unmake the world their cruel masters have built, and claim a destiny too long denied—and too glorious to surrender. Praise for Morning Star “There is no one writing today who does shameless, Michael Bay–style action set pieces the way Brown does. The battle scenes are kinetic, bloody, breathless, crazy. Everything is on fire all the time.”—NPR “Morning Star is this trilogy’s Return of the Jedi. . . . The impactful battles that make up most of Morning Star are damn near operatic. . . . It absolutely satisfies.”—Tordotcom “Excellent . . . Brown’s vivid, first-person prose puts the

reader right at the forefront of impassioned speeches, broken families, and engaging battle scenes . . . as this interstellar civil war comes to a most satisfying conclusion.”—Publishers Weekly (starred review) “A page-turning epic filled with twists and turns . . . The conclusion to Brown’s saga is simply stellar.”—Booklist (starred review) Don’t miss any of Pierce Brown’s Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE

Blindsight Peter Watts 2006-10-03 Blindsight is the Hugo Award–nominated novel by Peter Watts, "a hard science fiction writer through and through and one of the very best alive" (The Globe and Mail). Two months have past since a myriad of alien objects clenched about the Earth, screaming as they burned. The heavens have been silent since—until a derelict space probe hears whispers from a distant comet. Something talks out there: but not to us. Who should we send to meet the alien, when the alien doesn't want to meet? Send a linguist with multiple-personality disorder and a biologist so spliced with machinery that he can't feel his own flesh. Send a pacifist warrior and a vampire recalled from the grave by the voodoo of paleogenetics. Send a man with half his mind gone since childhood. Send them to the edge of the solar system, praying you can trust such freaks and monsters with the fate of a world. You fear they may be more alien than the thing they've been sent to find—but you'd give anything for that to be true, if you

knew what was waiting for them. . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This Mortal Coil Emily Suvada 2017-11-07 "Redefines 'unputdownable.'" —Amie Kaufman, New York Times bestselling author of *Illuminae* "I was thrilled. I was shocked." —NPR "Stunning twists and turns." —BCCB (starred review) In this gripping debut novel, seventeen-year-old Cat must use her gene-hacking skills to decode her late father's message concealing a vaccine to a horrifying plague. Catarina Agatta is a hacker. She can cripple mainframes and crash through firewalls, but that's not what makes her special. In Cat's world, people are implanted with technology to recode their DNA, allowing them to change their bodies in any way they want. And Cat happens to be a gene-hacking genius. That's no surprise, since Cat's father is Dr. Lachlan Agatta, a legendary geneticist who may be the last hope for defeating a plague that has brought humanity to the brink of extinction. But during the outbreak, Lachlan was kidnapped by a shadowy organization called Cartaxus, leaving Cat to survive the last two years on her own. When a Cartaxus soldier, Cole, arrives with news that her father has been killed, Cat's instincts tell her it's just another Cartaxus lie. But Cole also brings a message: before Lachlan died, he managed to create a vaccine, and Cole needs Cat's help to release it and save the human race. Now Cat must decide who she can trust:

The soldier with secrets of his own? The father who made her promise to hide from Cartaxus at all costs? In a world where nature itself can be rewritten, how much can she even trust herself?

Spinner of Lies Bruce R. Cordell 2012-06-05 Memories of his past incarnations haunt Demascus, even as he searches for stolen portraits that contain the trapped souls of demigods. Meanwhile, drow creep beneath the city of Airspur, intent on precipitating war between Akanûl and a rival nation. As Demascus attempts to win freedom from the ghost of his murdered lover, he agrees to thwart the drow's secret scheme, sending him on a trail that stretches between the Demonweb, Airspur, and an island that appears on no map.

Spinner of Lies is a sequel to Sword of the Gods, and is also tied to the Rise of the Underdark, an event that will have bold, sweeping ramifications across (and under) the Forgotten Realms.

Prince of Thorns Mark Lawrence 2011-08-02 BOOK ONE IN THE BROKEN EMPIRE TRILOGY "Prince of Thorns deserves attention as the work of an iconoclast who seems determined to turn that familiar thing, Medievaesque Fantasy Trilogy, entirely on its head."—Locus When he was nine, he watched as his mother and brother were killed before him. By the time he was thirteen, he was the leader of a band of bloodthirsty thugs. By fifteen, he intends to be king... It's time for Prince Honourous Jorg Ancrath to return to the castle he turned his back on, to take what's

rightfully his. Since the day he hung pinned on the thorns of a briar patch and watched Count Renar's men slaughter his mother and young brother, Jorg has been driven to vent his rage. Life and death are no more than a game to him—and he has nothing left to lose. But treachery awaits him in his father's castle. Treachery and dark magic. No matter how fierce his will, can one young man conquer enemies with power beyond his imagining?

The Raven Edgar Allan Poe 1883
