Master Series Volume Three Justus Roux “Dante and Angelique” Book Eleven Angelique went to Master Dante by request of Michael, her trainer and lover. She was new to this lifestyle and Michael wanted her to learn about the pleasures of pain. Angelique had no idea just how much meeting Master Dante was about to change her life. Dante saw her deepest desires—he brought to life those desires. Master Dante never trained a woman in the art of pain before until Angelique. She was born to be a Mistress, he knew it. What he didn’t expect was to fall in love with her. Torn between his role of Master and his growing love for her he must decide their future together. This book is the back story on how Master Dante and Mistress Angelique became the enigmatic couple they are now. “Kiss the Moment” Book Twelve Rage and Shadow, Master Drake's newest male pets had no idea how much a pair of guests were going to change their lives. Brenda brings out Rage's submissive side, where as her twin sister Kitty brings out Shadow's dominant side. Seth had everything money could buy. He decided to go to Master Drake's island on a whim. Drake teaches Seth to be submissive. This is a hard road for Seth to travel. Ecstasy and Leon's love grows more each day. However, Leon still has lingering doubts if he can live Ecstasy's lifestyle. Leon's traumatic past may hurt his and Ecstasy's future. “A Master’s Love” Book Thirteen After Seth's visit to Master Drake's island, he wanted nothing more than to be called Master. He seeks out Master Falcon, the slave trader, to purchase the submissives he so craved. He doesn't see there is more to being a Master than just owning slaves. Master Falcon's price is quite high. He wants Seth to bring him Master Dante's favorite slave Bazil and he wants Leon back from Master Drake. If Seth can do this Falcon will train the slaves that he will give to Seth. Seth gets Falcon what he wants. Now Master Drake and Dante will do anything to get their submissives back. Falcon knows this, he is counting on it. He wants Drake and Dante to pay for shunning him. “Amoureux” Book Fourteen Bazil has been Dante's favorite slave for several years now. Bazil is kind and gentle, while Dante is dubbed the Master of Pain. Dante needs to give pain, yet Bazil doesn't enjoy receiving pain. Knowing this, Dante is unable to inflict erotic pain on Bazil. The difference between them is starting to tear them apart. Angelique sees what this is doing to her beloved Dante. Hoping to help him, she convinces him to take on new clients and gives him two new slaves to play with. By doing this she is forcing Dante and Bazil to face their problem. This will either draw Dante and Bazil closer together or it will pull them apart, either way, Angelique

can't stand by and watch Dante suffer any longer. "Obsession" Book Fifteen Jet craved Master Drake like no other Master he had ever known. Drake knew his dirty secret, his hidden fetish, but how could he so soon. This frightened Jet, yet fueled his obsession about his new Master. Drake had a need for the type of submissive Jet was. Jet was a complete submissive, one who would do anything and everything his Master wanted and he would love every moment. Drake could explore his most bizarre desires with Jet, something he couldn't do with his other pets. Fawn had a preoccupation with Rapture from the moment she heard about him. Now she was his submissive and she had no idea how to please her new Master. Hell, she didn't know what she needed from her Master. Yet, for the first time ever Fawn felt safe and she knew in her heart that Rapture was the Master she longed for.

Studia Patristica. Volume XLIV Jane Baun 2010-05-05 Papers presented at the Fifteenth International Conference on Patristic Studies held in Oxford 2007 (see also Studia Patristica 45, 46, 47, 48 and 49). The successive sets of Studia Patristica contain papers delivered at the International Conferences on Patristic Studies, which meet for a week once every four years in Oxford; they are held under the aegis of the Theology Faculty of the University. Members of these conferences come from all over the world and most offer papers. These range over the whole field, both East and West, from the second century to a section on the Nachleben of the Fathers. The majority are short papers dealing with some small and manageable point; they raise and sometimes resolve questions about the authenticity of documents, dates of events, and such like, and some unveil new texts. The smaller number of longer papers put such matters into context and indicate wider trends. The whole reflects the state of Patristic scholarship and demonstrates the vigour and popularity of the subject. Library Journal Melvil Dewey 1920 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Submissive Volume 2 Roy Turner 2014-12-04 'Submissive Volume 2', is a must read for any women considering exploring their submissive side. This book goes places that will surprise some and possibly shock others-as it is never anything less than candid. The 15 selected interviews here were conducted over a 10-year period, by the BDSM magazine publisher and writer, Roy Turner and offer a full, frank and totally unique insight into the real world of the lifestyle submissive. It certainly isn't some E L James 'Fifty Shades of Grey' or Nancy Friday 'My Secret Garden', etc fantasy-fest, what it does show is that those stereotypes-if they exist at all, are just not at all representative of the experiences related here. Like her male counterpart, the submissive female comes in all types; she can quite often be a highly successful career woman in 'real' life that simply craves the occasional release from responsibility that comes through role-play, or a women who throws herself headlong into the lifestyle 100%. There was also a tendency to separate 'Husbands/Lovers' from 'Masters' and carry on a double-life either with or without their partner's knowledge or consent. But there is also a much darker side too that is not found so much in the male submissive; a truly dangerous area that some women willingly step into. These women certainly 'walk the talk'; whether it is extreme role-play, slave training, pony-girl, enforced servitude and prostitution, abduction or even kidnapping. Consequently, some of the experiences related here could be considered extremely shocking and genuinely disturbing. It's definitely not one for the faint-hearted! For many interviewees, the need for domination had its roots, not surprisingly, in childhood. An authoritarian, even brutal, father-who went way beyond the occasional spanking, etc, started a trend, which they sought to recreate in future relationships. But other subjects found themselves instinctively drawn to it for reasons less explicable, certainly not out of diminished self-esteem or anything that obvious. In many of the stories told, the division between controlled and controller becomes blurred, in other words, the so-called submissive is actually directing the scenario. By far the most popular and powerful scenario for most women was the idea of being used by two

or more men, total humiliation and degradation often being the key driver. Take a peak and use the 'Look Inside', feature and get to read a free sample of the book... Publisher's Note: This eBook contains explicit sexual content, graphic language, and situations that some readers may find objectionable. It is intended for an adult audience.
