Research Questions and Hypotheses - SAGE Publications Inc

CHAPTER SEVEN Research Questions and Hypotheses I nvestigators place signposts to carry the reader through a plan for a study. The first signpost is the purpose statement, which establishes the central direction for the study. From the broad, general purpose state-ment, the researcher narrows the focus to specific questions to be

Analyzing Focus Group Data - SAGE Publications Inc

As discussed in Chapter 1, the ways in which the earliest focus groups were designed, fielded, and analyzed were strongly influenced by their parent disci-plines, particularly social and clinical psychology and marketing research. These influences remain strong today, although much cross-disciplinary evolution has
